## The Benefits

### Healthy Smart Jewelry!

We use the strongest bio-magnets to attach our Tudes to our bases.

- Increasing Blood Flow
- Decreasing Pain
- Enhancing the Quality of Sleep
- Improving Energy at the Cellular Level,
- Counteracting the Harmful Effects of EMFs that Steal Your Energy

We embed energy elements of Infrared, Negative ion and Germanium on the back of our designs, helping to increase blood circulation, increase Serotonin, and decrease inflammation
